

## Integrated Management System Policy Statement

One of the principal objectives of Lizmontagens Installation Services Ltd is to ensure the quality of our refractory installation services consistently gives satisfaction to our customers and other interested parties whenever possible, meeting and exceeding their expectations. Our aim is to be the leading UK provider of refractory installation services, setting the standard in Safety, Quality and Service. A significant proportion of the company's business is the installation and maintenance of refractory materials to the Energy from Waste sector whose prime objectives are driven by environmental consideration. We therefore consider it our duty to uphold this philosophy and promote its development. We also aim to minimize downtime whilst upholding the highest standards of health and safety and are fully committed to preventing injuries and ill-health and to establishing and maintaining safe systems of work and a safe and healthy working environment throughout all of our business operation and activities.

In order to achieve these objectives, it is the policy of our company to maintain an effective and efficient Integrated Management System (IMS) in accordance with the requirements of ISO 9001:2015 and 14001: 2015. It is the policy of Lizmontagens Installation Services Ltd to:

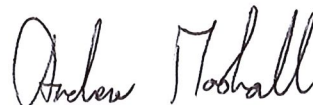

- Comply with all legal, health and safety and environmental laws, requirements, codes of practice and all other compliance obligations applicable to our activities and relevant to the context of the organisation.
- We are committed to the protection of the environment and preventing of pollution of air, land and water by keeping our waste stream to a minimum through the efficient use of resources and by recycling, reducing, and reusing of all materials wherever possible.
- Ensure the systematic identification of hazards and the assessment and effective control of risks to health and safety that may arise out of or in connection with our operations and activities.
- Engage, consult and support workers to contribute to the effectiveness of the integrated management system.
- Provide all the resources of equipment, trained and competent staff and any other requirements to enable these objectives to be met.
- Maintain management systems that will achieve these objectives and to seek continual improvement in the effectiveness and performance of our integrated management system.

Lizmontagens Installation Services Ltd top management is 100% committed to the Integrated Management System program and expects all the employee's to be strictly guided by the systems, procedures and processes laid down in our Integrated Management System manual.

This policy has been communicated to personnel at all levels within the organization and is available to interested parties upon request. This policy shall be the basis for establishing and reviewing Integrated Management System Objectives and Targets and shall be reviewed for its continuing suitability at periodic intervals.
